

Extended Day Program
Pre-Paid Program and Payment Options
2010-11

Extended Day Program services are charged in “blocks” for advance purchase. Please refer to the Extended Day Program page on the School’s website for additional details on Procedures and Fees at www.sfschool.org/life/extended_day_procedures.

- While you may purchase any number of daycare blocks in 10-block increments, there is a price break if you buy 100 or more blocks.
- Students on indexed tuition pay the lower per block rate, regardless of the number of blocks purchased. Extra fees for special classes are charged based on percent of full tuition. For example, if your tuition is indexed at 50% full tuition, you will pay 50% of the extra fees.
- There is no refund for unused daycare hours so please estimate your needs as closely as possible. **There is an option to pay a flat fee of \$1,600 per child for unlimited daycare use (excluding extra fee classes). The breakeven is 176 blocks (Approx 1 block/day).**

Selecting a Payment Option

All daycare fees should be paid in **advance of use**.

There are two payment choices:

- Pre-pay daycare blocks by submitting checks payable to “The San Francisco School” indicating the number of blocks you are purchasing (see Reverse). You may do this periodically throughout the year but remember there is a price break at 100 blocks.
- If you need a minimum of 100 blocks of daycare and you wish to pay it off over 10 months, please fill out and return (by August 16) the enclosed Extended Day Billing Form for direct billing by TMS. The price includes a \$42 fee for this service. Daycare blocks may be split between siblings. For example, if you buy 100 blocks, one sibling can use 25 blocks and the other can use 75 blocks. If you use up these blocks, you may purchase additional blocks directly from The School. To pay by Direct Debit please e-mail (rbrown@sfschool.org) or call The Business Office (239-1410) and request a Direct Debit Form.

Checking your Payment Status and Balance

- For Elementary and Middle School students, you may check the status of their accounts by going to the Parent Portal at sfschool.org/drupal.
 - To log on to the Portal, enter your **user name** (which is your e-mail address) and **password**. If needed, there is a link in red that will direct you to request a new password.
 - Click on “PARENT INFORMATION” (on the left of the screen)
 - Select “View extended care block charges for (child’s name)”
- For Pre-school students, please plan to check the status of your account periodically by contacting Rahna Brown at rbrown@sfschool.org. We hope to have pre-school student extended day use available on the Parent Portal later this year.
