

# Extended Day Program Payment Options 2007-2008

Please refer to the Extended Day Program page located on the School's website for details on Procedures and Fees. All daycare fees should be paid in **advance of use**. Please plan to check the status of your account periodically by contacting Miriam Phillips at [mphillips@sfschool.org](mailto:mphillips@sfschool.org). While you may purchase any number of daycare blocks in 10-block increments, there is a price break if you buy 100 or more blocks. Students on indexed tuition pay the lowest rate, regardless of the number of blocks.

There are three payment choices:

- Pre-pay daycare blocks by submitting checks payable to "The San Francisco School" indicating the number of blocks you are purchasing (see Below). You may do this periodically throughout the year but remember there is a price break at 100 blocks.
- If you need a minimum of 100 blocks of daycare and you wish to pay it off over 10 months, please fill out and return (by August 14) the enclosed Daycare Billing Form for direct billing by Key Bank. If you wish to pay by Direct Debit please call The School and request a Direct Debit Form. The daycare blocks may be split between siblings. The price includes a \$45 fee for this service. If you use up these blocks, please purchase additional blocks directly from The School.
- If you do not pre-pay or sign up for the billing service, you will receive a bill from The San Francisco in January and July for all unpaid blocks at a higher penalty rate of \$9.75 per block. The School strongly discourages this choice.
