

TEACH with US

Come cultivate + celebrate the intellectual, imaginative + humanitarian promise of each student.

Upper School STEAM Teaching Assistant (TA)

50% FTE (with the possibility of additional duties to increase the %FTE, depending on applicant's skills + school needs) starting August 10, 2022

We seek a team member who is a(n):

- talented, student-centered + inspiring educator
- scientist or engineer who loves guiding students to explore the connections between science, engineering + technology
- inquiry-based classroom teacher
- innovator in a 1:1 iPad learning environment
- culturally competent, engaged community member
- excellent communicator + collaborator
- passionate guide for the middle school years
- stand-up comedian...or at least has a good sense of humor

The Work

- Assist Upper School Head Teachers with integrated Science, Engineering + Technology classes
- Assist in differentiating student learning
- Help set up + clean up lab materials
- Work with the Head Teachers to develop curriculum + assess student work
- Depending on the material + comfort level, the TA may teach a specific class or section as either a co-lead or solo teacher
- 50% FTE, with the possibility of additional duties to increase the %FTE, depending on applicant's skills + school needs
- Support Middle School program + student activities as needed

Carly Reiter

The San Francisco School

A preschool through 8th grade independent school, with a commitment to a multicultural + inclusive community

The School embraces San Francisco's ethnic, cultural + economic diversity. Our progressive approach to education encourages children to develop **self-reliance,** **strong academic skills,** **creativity,** + a sense of social justice. They graduate **academically prepared,** **inquisitive,** **courageous,** + eager for the challenges ahead.

We are committed to increasing staff diversity, both to reflect the high value SFS places on multicultural understanding + for the direct benefit of each student.
