

## TEACH WITH US

*Come cultivate + celebrate the intellectual, imaginative + humanitarian promise of each student.*

### Lower School (K-3rd Grade) STEAM Teacher

Starts August 7, 2023 (60% FTE position)

Full time salary range – depending upon experience + education – is \$60,500 - \$136,900. The equivalent salary for 0.6FTE teaching staff would range from \$36,300 to \$82,140 + benefits.

#### We seek a team member who is a(n):

- talented, student-centered + inspiring educator who is current in pedagogical + curricular best practices
- scientist or engineer who loves guiding students to explore the exciting connections between the many subjects of STEAM
- inquiry-based teacher, excited about teaching outdoors in our “Field Station” classroom, located in our Adventure Playground
- digital citizen, passionate about exploring appropriate, technological integration with the youngest of learners
- culturally competent + engaged community member
- excellent communicator + collaborator
- team player who will partner with the Director of Design, Engineering, + Technology in designing project-based learning that fosters confidence + excitement for STEAM
- stand-up comedian...or at least has a good sense of humor

We are committed to increasing staff diversity, both to reflect the high value SFS places on multicultural understanding + for the direct benefit of each student.

#### The Work

- Lead Kindergarten - 3rd Grade integrated STEAM classes
- Align with Next Generation Science, Common Core + ISTE standards + practices
- Integrate STEAM learning and programming with the work in the main classrooms, and across the curricular specialties
- Keep up with pedagogical + curricular best practices + explore emerging topics + practices
- Differentiate student learning
- Integrate Digital Citizenship best practices
- Share in recess duties and participate in school events + outdoor/travel (and possibly overnight) education trips
